About Pauline...

Pauline Nishida, a third generation Japanese American (Sansei), was born and raised in Los Angeles. After graduating from Pepperdine University with a B.S. in Business Administration, she enjoyed a successful career in Human Resources.

God has blessed Pauline by growing her up in the Church...since her early childhood, she believed in Jesus Christ, and accepted Him as her Savior and Lord.

Some of her many ministry involvements include teaching Sunday School, serving on the Board of Deacons, administrating many retreats, coordinating various fellowship groups, and serving in different Holiness Conference ministries.

Believing that Christ loves **all** people groups, Pauline some time ago began to feel a God-given heart for cities and the diversity of people living in them. Then, in 1992, Pauline heard God call her to New York City!

As preparation to walk the streets of New York City without fear, Pauline decided to walk in her own urban neighborhood while training for the Los Angeles Marathon. As she met all the kids hanging out in the streets; her ministry to these children~ Kingdom Kids, was birthed in 1993.

The Move to NYC...

Pauline answered God's call in the Fall of 1998...in God's perfect timing! Serving as an urban missionary with a prayer ministry that couldn't have been a better training ground, Pauline has indeed seen the faithfulness of God... and His faithfulness is certainly exemplified through the prayers and giving of partners and senders!

“The steadfast love of the Lord never ceases, His mercies never come to an end; they are new every morning; Great is Your faithfulness! ‘The Lord is my portion,’ says my soul, ‘therefore I will hope in Him.’”

Lamentations 3:22-24

Then came 911...

The Ground Zero Memorial Cross, still standing, is a symbol of unchanging hope for a changed world. For such a time as this...there are unprecedented ministry opportunities in the history of New York City!

Pauline's City Connect role with Campus Crusade for Christ (CCC)...

God opened the doors for Pauline to serve with CCC as Training Director on the 911 Interim Response Team. This gave birth to her exciting role as Ministry Liaison ~ N.Y. City Connect!

A new work has begun as New York City Connect brings together all of the CCC ministries in the city. Pauline's experience in Human Resources is helpful with the one hundred staff in the city, identifying areas of service and opportunities for growth. City Connect encourages unity not only within the CCC body, but with other ministries by:

- o Praying Together.
- o Working together to strengthen each individual ministry.
- o Serving together to give birth to citywide initiatives that embrace several or all CCC ministries.
- o Partnering with other organizations and churches in citywide efforts for the sake of the Gospel & unity of the Spirit.
